Superintendent's Highlights

The District continues effort to improve all of the services required to provide exceptional educational programs. A district strategic plan with vision, mission, and goals with specific measurable objectives is being developed to guide these efforts.

Our focus has been to improve learning through implementation of effective extended day reading remediation in the primary grades, alignment of the district curriculum to the state standards, and teacher and student review of standardized testing results. All employees are provided opportunities for professional development to improve their work skills in their areas.

The district patrons approved a twenty-year plant facility levy by 84% in May of 2001 to replace the Troy High School facilities. The State of Idaho according to Idaho code contributed one-hundred percent of the interest money to the project, thereby providing enough to build a educational plant. Construction is scheduled for completion in May of 2003.

Progress Towards Meeting District Goals

2001-02 Goals

Progress

Curriculum Improvement	Language arts review, coordination and alignment to standards is complete and a new series of textbooks for K-6 will be in use this fall.
Technology Competencies	96% of the staff have completed Technology Competency Certification. The NWEA MAP tests were piloted with grades 3, 5, 7, and the 9 th grade ISAT all done in the computer labs.
Safe Schools	Each school has developed a safe school plan to ensure a safe learning environment. The district(s) have safe building concerns that are difficult to eliminate but every effort is made to minimize the physical hazards.
Efficient Student Transportation	The district replaces route busses on a ten-year rotation.
New School	After ninety-seven years of use, Troy High School will be replaced by a new 47,000 square foot facility attached to the present Troy Elementary School.
